Activity Name: Winter hand bunny Puppet

- School Readiness Outcomes (SRO) goals met:
 - **Expresses Feelings**
 - **Relates to Children (Friends)**
 - **Makes and Expresses Choices**
- Instructions-
 1. Choose Color piece of paper
 2. Trace your hand with the Pencil
 3. Cut out the hand, round the bottom of the hand (Do not include wrist)
 4. Fold the 3rd finger backwards
 5. Draw Ears on the Pointer and Ring fingers
 6. Make the rabbits face with a Marker (eyes, nose, whiskers) on the palm of the hand
 7. Add small feet with marker (optional)
 8. Cut out the mittens, hat, and scarf templates
 9. Glue them to the appropriate areas of the rabbits
 10. Glue the popsicle sticks to the 3rd finger that you bent backwards
 11. Fold 1st and 5th fingers inwards the middle.
 12. You now have a Winter bunny

- Extension Activity Ideas
 - Precut all parts for the kids and have them color and assemble the precut bunny.
