

Supplies for activities needed:

- Walking shoes
- Proper coat
- Thinking cap
- Eagle eyes

Activity Name: Spot the Animals in Nature!

- School Readiness Outcomes (SRO) goals met:
 - Engages in Problem-Solving
 - Plans Complex Activities
 - Makes Comparisons
- Instructions
 1. Have your child plan an adventure in nature. They can decide where they want to go and for how long.
 2. They should determine how many animals they are going to see and name.
 3. As you and your child adventure through nature, name as many animals as possible. Prompt them to compare all the animals they have seen.
