

Bears on Chairs Coloring and Counting Activity 😊

Things you will need:

- 5 teddy bear print outs (attached to this document if you would like)
 - o You can draw your bears if a printer is not available!
- Coloring utensils (crayons, colored pencils, markers, etc.)
- Scissors (*with parental help* or supervision)
- An imagination!
- And of course, to have fun! 😊

Instructions:

Step 1:

You will want to either print out your teddy bear templates or begin drawing your own on separate sheets of paper.

Step 2:

Grab your coloring utensils and begin coloring your 5 bears. Your bears do not have to match the bears in the story, or the sample templates, so have fun with it! Attached are some sample bears for inspiration.

Step 3:

When you are done coloring and decorating your bears, ask your parent or guardian to help you or supervise you while cutting out your teddy bears. They don't have to look perfect, art is all about being unique!

Step 4:

Then, when you are all done coloring and cutting out your 5 teddy bears, you can follow along with the story *Bears on Chairs* and count how many bears appear throughout the story!

Final Step:

After you have artistically decorated your bears, cut them out, and followed along with the story however many times you would like, you can now display your beautiful bears! Hang them up in your room, in your kitchen, play room, or anywhere you want to show off your amazing artwork!
