

**Book title:** How Do Dinosaurs Stay Safe?

**Author:** Jane Yolen and Mark Teague

Supplies for activities needed:

- Crayons
- Markers
- Craft Paper
- Safety Gear

Activity Name: Dressing In Appropriate Safety Gear

School Readiness Outcomes (SRO) goals met:

- Sort Objects: Sort different items to wear for safety in different situations/activities
- Participates in Routines: Child knows to wear the gear for safety when participating within the activity every time
- Instructions
  1. After reading How Do Dinosaurs Stay Safe, discuss with the child what they noticed the dinosaur was wearing and doing in order to stay safe while riding a bike and swimming in the pool and the importance of wearing gear to keep them safe
  2. Help the child draw and color what they would look like in those activities with the proper safety gear
- Extension Activity Ideas
  - Talk with the child about different ways to stay safe during other activities and draw it out as well
  - Gather all the proper safety gear for riding a bike and going swimming. Have a dress up with the child as if they were going to do that activity. Have fun and at the same time stress the importance of being safe while taking part in these different activities
